

ORDER OF OMEGA

HONORING GREEK LEADERS SINCE 1959

50th Anniversary press release for website and magazine publications.

2009 marks a milestone for the National Order of Omega. The organization is celebrating its 50th year as a leadership honor society for fraternity and sorority members.

Order of Omega was founded at the University of Miami in 1959 by a group of outstanding fraternity men who felt that individuals in the Greek community should be recognized for their service to the fraternity system and the university.

Order of Omega's purpose is to recognize fraternity men and women who have attained a high standard of scholarship and leadership in interfraternal activities, to encourage them to continue along this line, and inspire others to strive for similar conspicuous attainment. It unites outstanding fraternity men and women to help create an atmosphere where ideas and issues can be discussed openly across Greek lines and to help work out solutions.

Since its humble beginnings, Order of Omega has chartered over 500 Chapters throughout the United States and Canada; initiated over 200,000 members; and awarded over \$800,000 through its Scholarship, Fellowship, and Outstanding Chapter Award Programs.

We would like to thank all of our members and chapter advisors who have helped make this organization what it is today.

Long Live the Order!
