

## **RAINN is honored to have Alpha Chi Omega as its first national sorority partner since 2018.**

*"In our dedication to domestic violence awareness since 1992, Alpha Chi Omega is always striving for more ways our real, strong women can make an impact. I am thrilled that our partnership with RAINN has grown so much since its inception in 2018. Our education and awareness work with RAINN allows us to extend our efforts into an area that affects so many college-aged women and survivors of all identities." - Katie Gaffin, CEO of Alpha Chi Omega*

As a member of Alpha Chi Omega, you have the opportunity to **lead your community in taking a stand against sexual violence.**

### **Why RAINN Matters to You**

RAINN is committed to preventing sexual violence, helping survivors, and ensuring that perpetrators are brought to justice. Since 1994, RAINN's programs have provided more than 3.5 million survivors with the help they need and deserve. Every community is different, so we encourage you to raise awareness and funds in a way that feels true to the culture of your area and population.

### **Why You Matter to RAINN**

The sisters of Alpha Chi Omega are working with RAINN to create a culture of respect and an atmosphere of support for survivors on college campuses and in their communities. **The awareness you raise will directly benefit programs to help survivors, educate the public, and improve sexual assault laws and policies.**
