DISCOVERY EXPERIENCE 2021

Discovery Experience will happen virtually this upcoming year with health and safety of our members at the forefront of our minds. This decision was made now to uphold our commitment to being positive stewards of our resources – both staff and financial.

The Foundation team is pursuing options to deliver a virtual program for Discovery Experience. Updated information will be shared with the relevant audiences as they become available. This decision was not an easy one to make, and we appreciate your understanding and support as we explore alternative opportunities to continue to provide primer leadership and education experiences for our members.

Additionally, Leadership Academy will occur virtually in 2021.
