

In 1891, the first Alpha Chi Omega convention took place in Greencastle, Indiana. The place where our sisterhood was founded also became the first location that official business of the organization occurred. From there, our national convention has been held in more than 40 cities across the United States and Canada.

In 2022, the 61st Alpha Chi Omega National Convention is planned to be held in person, for a sisterhood experience unlike any other. As we enjoy spending time **TOGETHER**, we'll have additional time and opportunities for networking, sisterhood and making once-in-a-lifetime memories with friends new and old. We cannot wait to see you in Seattle!
