KNOW YOUR POUR Amount you typically If you say you You probably had pour over the standard X drinks had X drinks drink amount 4.5-5.5 4-5 12% 5.5-6.5 4-5 33% 6 - 7.54-5 53% 7.5 - 9.54-5 92% Standard Drink -1.25oz (80 Proof) MIXED DRINKS

Drinks poured by students are typically stronger than standard drinks.

This means you are consuming more alcohol than you think.

KNOW THE STRENGTH ullet KNOW THE AMOUNT ullet KNOW THE TIME

From White et al. (submitted) College students define standard drink volumes inaccurately. ACER | Drinking Age is 21 - Be Legal
