RESOURCES ADAPTED FROM "ON-RAMPS AND LANES ON THE RACIAL JUSTICE FREEWAY" BY SHELLY TOCHLUK

THE CARPOOL LANE (HOV LANE)

The carpool lane is for those *working together* to advance the mission and support their community, increasing their impact. All passengers welcome.

THE MIDDLE LANE

Individuals here have found their direction and speed, working with others.

Lane changes may occur.

THE FAST LANE

This lane is populated by individuals who advocate for the ideal, *confidently gaining speed.*

THE SLOW LANE

The slow lane is the *starting place for many*, chipping away at injustice little by little.

"ALTHOUGH MANY OF US ARE MOVING IN *different lanes*, WE ARE HEADED IN A SIMILAR DIRECTION."
