Hello,

We hope this message finds everyone doing well given the constant changes COVID-19 continues to bring our way. It has been great to talk and work with many of you as we continue to navigate through everything. Based on all the conversations we have had with many of our LHCs, we have put together a FAQ document for your use. You will find it attached to this email. If you continue to have questions, please don't hesitate to reach out!

Staff has also been monitoring the federal government's response to COVID-19 and considering what support might be available to our corporations. We are attending multiple webinars to get the best information available and wanted to communicate as soon as possible to all of you. Please see the attached email from the National Panhellenic Conference regarding the CARES Act. We are offering a webinar this Wednesday, April 8 from 4-5pm ET, to share our insights into this legislation. Julie Goldsberry, Alpha Chi Omega's Senior Financial Controller, will be on the webinar to share what she has learned and how it could apply to LHCs. The webinar will also be recorded and posted to the Alpha Chi Omega website in case you aren't able to join us live.

Please register for LHC CARES Act Info on Apr 8, 2020 4:00 PM EDT at:

After registering, you will receive a confirmation email containing information about joining the webinar.

Stay well,
Laura
