

# Sisterhood Ideas

## HOSTING A GREAT GATHERING IN PERSON OR VIRTUALLY

No matter the time of year, Alpha Chi Omega members love to gather and connect to celebrate friendship and sisterhood. A sisterhood gathering does not require elaborate planning or significant costs. The goals of connecting with sisters through an activity or gathering are to have fun and continue the bonds you began when joining Alpha Chi Omega. Listed below are ideas for in-person and virtual sisterhood activities and experiences. We hope this list inspires you to connect and gather with sisters!

Each February as part of Healthy Relationships Week, Alpha Chi Omega invites alumnae worldwide to come together for [Alpha Chi Night Out](#) to connect with one another and celebrate our sisterhood. Whether for a virtual night in or a night out with sisters, these ideas will get you started as you make plans!

With a little help from technology and some creativity, just about any idea can be made into a virtual gathering! This is the perfect opportunity to connect with sisters who may not live nearby or to catch up with sisters you haven't chatted with recently. You may also consider making your event family friendly by bringing kids, partners and families along!

Need help finding a sister? Visit the [Find a Member section](#) of the [Alpha Chi Omega website](#) to search our records by first name, maiden name, last name, chapter, city, state or school. If you're not finding who you're looking for, email [lifetimeengagement@alphachiomega.org](mailto:lifetimeengagement@alphachiomega.org) for support.

## IN-PERSON IDEAS
