PRESS RELEASE

ALPHA CHI OMEGA AMONG THE NIC LAUREL WREATH AWARD HONOREES

The [Laurel Wreath Award](#) is presented to individuals or groups in recognition of their unique programs, community outreach or influence within the fraternal world.

FOR IMMEDIATE RELEASE:

INDIANAPOLIS, June 20, 2019

Alpha Chi Omega is honored to be among the recipients of the North American Interfraternity Conference's 2019 Laurel Wreath Award.

Alpha Chi Omega has maintained a long-standing partnership with Zeta Tau Alpha, Pi Kappa Phi and Sigma Nu to develop educational posters and facilitation guides on various health and safety topics with the goal of awareness and harm reduction. The educational poster series was recognized for its contribution to member education and distribution that extends to the fraternity/sorority offices on all campuses in which any of the four organizations are represented.

The posters have covered topics such as alcohol, hazing, mental health, drug abuse and social media responsibility. Most recently, the topics have included vaping and healthy relationships education. Each Alpha Chi Omega chapter receives a printed copy of each poster, along with a conversation starter document to facilitate chapter discussion about the topic. The poster series continues to address current trends regarding health and safety concerns facing college students. Alpha Chi Omega is proud to have an ongoing commitment with our fraternal partners to creating resources that provide meaningful education and prioritize member wellness.

The poster series and conversation starters can be found [here](#) on the Alpha Chi Omega website.

About Alpha Chi Omega

Founded more than 130 years ago on the campus of DePauw University, Alpha Chi Omega has been a leader in redefining what it means to be a sorority. Through strength in sisterhood and a commitment to the values we share, generations of real, strong Alpha Chi Omega women have become leaders who effect change on our campuses, in our communities and around the world.
