## ALPHA CHI OMEGA FOUNDATION'S FOUNDERS' DAY CHALLENGE RAISES \$210,900 IN OCTOBER

FOR IMMEDIATE RELEASE

**INDIANAPOLIS**, December 4, 2019 – The Alpha Chi Omega Foundation continues to build on its record-breaking year of giving with October's Founders' Day Challenge campaign, which raised \$210,900 for the Alpha Chi Omega Foundation's Real. Strong. Women.® Fund.

This year, the Foundation celebrated the Fraternity's seven Founders throughout the month of October with a challenge that 2,664 sisters and friends answered. Every gift will help to ensure future generations of sisters can experience the bond of Alpha Chi Omega and will help to fund vital educational and philanthropic initiatives benefiting all sisters – both collegians and alumnae.

The success of Founders' Day Challenge extends the Foundation's legacy of impact. This milestone was possible as a result of the largest non-campaign year in Foundation history, which brought nearly \$3.7 million in contributions to the organization. The Foundation also granted almost \$1.2 million to the Alpha Chi Omega Fraternity to fund educational and philanthropic programs for members.
