PRESS RELEASE

ALPHA CHI OMEGA NATIONAL HOUSING CORPORATION PARTNERS WITH CSL MANAGEMENT.

FOR IMMEDIATE RELEASE:

INDIANAPOLIS, August 5, 2015 – The Alpha Chi Omega National Housing Corporation is pleased to announce a new partnership with CSL Management, an operations management and consulting firm that works exclusively with fraternities and sororities.

This new partnership provides Alpha Chi Omega members and facilities with several advantages, including CSL’s existing relationships with some of our established vendors, BuildingDNA technology and the ability to negotiate contracts and leverage the buying power of CSL’s expansive client base within specific markets. This will ensure Alpha Chi Omega members receive competitive pricing and high-quality workmanship. CSL will also provide the convenience of a dedicated representative for Alpha Chi Omega housing volunteers and house directors to contact for service requests.

The transition to CSL Management began with a small group of properties on August 1, with the remainder of the NHC properties slated to transition by the end of the year.

“After spending several months carefully vetting different vendors, the Alpha Chi Omega National Housing Corporation is thrilled to find a qualified partner in CSL Management,” said Tami Shields Silverman, Alpha Chi Omega CEO/Executive Director.

CSL Management COO/Partner Woody Ratterman echoed Silverman’s sentiments: “The CSL Management team is honored and excited that such a quality Fraternity and National Housing Corporation has chosen to partner with us. We hope our combined efforts will continue the Alpha Chi Omega National Housing Corporation’s tradition of excellence.”
